

We Welcome Glad Easter

Anonymous author; Tune: St. Denio

1 We welcome glad Easter when Jesus arose,
And won a great victory o'er all of His foes.
Then raise your glad voices, you children, and sing,
Bring sweet Easter praises to Jesus, your King!

2 We tell how three Marys came early that day,
And there at the tomb found the stone rolled away.
So raise your glad voices, you Christians, and sing,
Bring sweet Easter praises to Jesus, your King!

3 We sing of the angel who said: "Do not fear!
Your Savior is risen, Lo, He is not here."
Then raise your glad voices, you Christians, and sing,
Bring sweet Easter praises to Jesus, your King!

(This song was shared with us years ago by another worker in children's ministry.)
